

TO: Chief, DTRULER

1. Your attention is invited to Waterfield's letter of 10 May addressed to [] a copy of which is enclosed. It is felt that the points raised by Waterfield in regard to Newham and Boudreau's future behavior are very well taken. It is requested that [] take it quite clear to these two gentlemen that the recent grant should not be used for goading PBBANAL or any ~~other~~ political party. The grant has been given for humanitarian purposes and not to enhance the political ambitions of any individual connected with DTLINEN.

2. I will inform Waterfield that ^{we will attempt to control} ~~we will act in the above manner, and~~ that ~~we~~ we would not like to see a board consisting of representatives of various political parties running DTLINEN's activities (k) as a matter of principal, we would not like QKIVORY to transmit financial reports of DTLINEN to PBBANAL; but that we would sound out Newham and Boudreau as to their willingness to submit accounts of their expenditures of SGRECORD money to the Ministry in question.

3. For your information ^{and necessary actions} Identity (1) is awaiting the accounting of the first \$7,500 given DTLINEN together with [] recommendations for the next payment to be made. I assume that this will be made the first order of [] business when he returns from his vacation.

4. (Mickey Boerner) has been forewarned in general terms of possible squawks which may come to his attention via PBBANAL in this connection.

I shall attempt to brief (Mr. Thayer) in the same manner.
